Notes for Marcus Aurelius Flournoy:

Marcus A. Flournoy first did enroll at Paris, France Deaf School under Sicard's care, where Laurent Clerc was around. He returned to America then was attempted to enroll at American School for the Deaf when it was opened after 1817. The indication shows through the letter correspondence that he was "denied" admittance at American School for the Deaf. Originally, some thought Marcus was at Braidwood Institute for the Deaf near Petersburg, Virginia in 1815-1816 but there was some mention he was at Paris according to Thomas Hopkins Gallaudet's letter stated a boy from Georgia was there, presuming to be Marcus Flournoy. In 1818, he was indicated he lived with Reverend John Kirkpatrick while attending a mainstreamed program at Old Masonic Hall contributed by the Masonic Lodge No. 14 in Manchester, Virginia. Other indication in the writing, he continued his education at Cumberland Church as a daily school/mainstreaming program with other Deaf students. Cumberland Church was in Farmville, formerly Cumberland County and the re-zoning later changed to Prince Edward County, Virginia. He did live with the Kirkpatricks at that time. He returned home and got married then moved to Alabama. He did own a property and left to his family with details in the will. The written will is in the Ancestry on the Web. Marcus had a 10 years younger Deaf brother named John J. Flournoy, who later tried to push for establishment of Georgia School for the Deaf. [written by Kathleen L. Brockway, author of "Baltimore's Deaf Heritage" and "Detroit's Deaf Heritage" books.]

The marriage information on the 1900 Buffalo County, Nebraska Census is very confusing. Notes for Hiram Columbus Gregory:

NOTE from Carolyn Crabtree: There are two children listed in the 1880 Christian County, Kentucky Census that are living with Hiram and Kate Sivley: Herman G. Gregory, age 3 months, born in Kentucky and May Gregory, age 4, born in Kentucky. These may be children of another marriage for Hiram, or children of other members in the family. Hiram and Kate Sivley Gregory are also listed with his widowed mother Mary Hall Gregory on the 1880 Census in Union School House District, Christian County, Kentucky. There are no children with them in that listing. Why they are listed twice, once with two children and once without, I do not know. I have searched to see if the one with Mary Hall Gregory could possibly be a grandson, but this seems unlikely because of the age and dates of death for her older sons. On the 1900 Christian County, Kentucky Census Kate states that she has given birth to five children, three still living in June 1900.

Notes for Edward Lee Crabtree:

While I was talking to Annie Sinclair Crabtree she told me the story that Edward Lee was born just before the 1910 census taker came to the house. The family had not given Edward a name yet, so the census taker gave him a name Leonard B. Crabtree just for the record. The couple gave him the name Edward Lee afterwards. [Carolyn Crabtree]

Edward L. Crabtree, 70, 330 High Street, longtime Main Street businessman, part-time farmer and civic leader, died Wednesday at 11:25 p.m. at Taylor County Hospital. Remembered by his friends as hard working, kind and considerate, Crabtree leaves behind many years of service to his work - 42 years at Firestone - and to civic and church groups. "He's one of the most likable men you'd ever want to meet," offered one of his fellow downtown merchants. He was a member of the board of directors of First Federal for 34 years and was serving as chairman of the board at the time of his death. He was a member of Rotary for 31 years and will be remembered for his many years as Scoutmaster of Troop 138 at the First United Methodist Church. He was also a member of the administrative board of the Methodist Church. As a Rotarian, Crabtree was recipient of one of the most cherished Rotary honors - that of a Paul Harris Sustaining Member. His local club donated \$1,000 in his name to the Rotary Foundation. He was recently raised to the 50 percent level on the Paul Harris Fellowship. The fellowship is expected to be brought to the 100 percent level in the next few months. Along with the Rotary, Crabtree was one of the rescue squad's most ardent supporters. He was helpful in gaining community support for the "Jaws of Life." "He was a tremendous supporter of the rescue squad from the very beginning," commented squad commander Charlie Shaw. "He donated much of his time and money." He was the son of the late Wilbur R. and Annie Sinclair Crabtree and was born in Taylor County on April 10, 1910. He is survived by his wife, Catherine Gregory Crabtree; two sons, Donald K., Campbellsville, and Greg, Versailles; two sisters, Margaret Pruett, Campbellsville, Dixie Albright, Lake Park, Fla.; one brother, Robert Crabtree, Lexington; 10 grandchildren, 3 great-grandchildren, several nieces and nephews. Funeral service was Friday at 2 p.m. Dr. Charles Music and the Rev. Joe Humble officiating. Burial was in Brookside Cemetery. Honorary pallbearers were members of the Campbellsville Rotary Club, the Men's Bible Class of the First United Methodist Church, and the board of directors of First Federal Savings & Loan Association. Pallbearers were Phil Allan Bertram, Dale Miller, Jack Wright, Jimmy Whitlock, Richard Sublett and Doug Allen. [Central Kentucky News-Journal, January 19, 1981]

Notes for Barbara Carolyn Bost:

Because the Campbellsville Baptist Church burned in 1963, Carolyn and Greg were married in the First United Methodist Church by Dr. Chester Badgett, pastor of Campbellsville Baptist Church, where Carolyn attended. Assisting the marriage was the pastor of the United Methodist Church.

In 1968 Greg and I bought a house in Sycamore Estates in Woodford County, Kentucky from a couple named Barry and Pru Kockler. We lived there for 17 years. The house was less than a year old when we bought it and it was a wonderful house. Barry was going to Statesville, NC to work for a new company called Armoloy. He was wanting investors in the company and was heading to North Carolina from Kentucky. He later ended up in Texas. I told them to talk to Mickey and Carole Middleworth and be sure to meet them since Mickey's wife was my cousin and they could help them get settled in Statesville, Mickey got interested in the Armoloy Company and invested with them.
